Everett, Wash, January 27, 2010 - - Perteet, Inc, an employee-owned consulting firm specializing in engineering, planning and survey projects today announced the appointments of Crystal Donner, PE as CEO and Michael Yeoman as COO.

Crystal Donner, who was appointed Interim President in December, was confirmed by the Board of Directors as CEO on January 22nd. Prior to December, she spent the last 14 years with Perteet progressing to her recent role as Executive Vice President.

Mike Yeoman, Perteet's newly appointed COO has been with the firm since 2002, most recently as Director of Applied Field Services overseeing the firm's survey and construction management division.

"Mike and I are looking forward to continuing Perteet's excellent reputation in the Puget Sound area." Donner said. "We have a strong leadership team in place and the best clients in the industry. We will continue our focus on client service and our commitment to fulfilling our vision for the future."

Perteet, Inc. is a multidisciplinary engineering firm of 90 employees with offices in Everett, Seattle, and Snoqualmie. The firm provides a wide range of civil and transportation engineering services including transportation design, transportation planning, traffic engineering, civil & site development, surveying, environmental, and construction management.
